About Our School

The Weekday School (WDS) program has been a ministry of the Crosby United Methodist Church (CUMC) for over 40 years. We are licensed by the Child Care Licensing division of the Texas Health & Human Services Commission (referred to as CCL) As a licensed school, we undergo annual inspections by CCL, the Harris County Fire Marshal, and the Harris County Health Department.

Our director has met the criteria to be a licensed director in the state of Texas. Our director and teachers are certified in first aid, CPR and AED. All staff members also participate in over 25 hours of early childhood continuing education each year.

Mission & Philosophy

The primary purpose of the WDS program at CUMC is to provide a well-rounded early childhood program for the Crosby community and surrounding areas. We strive to provide a program where children ages 2 years through 5 years can grow and develop spiritually, cognitively, physically, emotionally, and socially within a Christian environment. We believe each child is a gift of God, a unique person valued for his/her own worth, who is growing and learning independently. A love of learning is fostered through participation in a wide variety of activities to encourage growth in all areas.

Enrollment Eligibility

The Crosby United Methodist Weekday School is open to all children who are at least two years old before September 1 of the current year through those who are five years old and have not yet started Kindergarten. *All children must be completely potty trained except those in the two-year old class.*

Our school does not discriminate based on gender, race, color, nationality or ethnic origin. We welcome children of all faiths; however, our curriculum and philosophy are based on Christian beliefs. Enrollment shall be open to any child, provided we can meet the needs of that child.

Registration Fee

The registration fee is due at enrollment. You will not be considered registered until fee is received. This fee is non-refundable. (See following page for fees.)

Tuition

Under all options, tuition is calculated on an annual amount that is divided into 9 equal payments. The number of days we are in school each month will vary due to the number of weeks in the month, holidays, etc. A 10% discount will be given for siblings on tuition only. (See following page for fees.)

One month's tuition (which will be applied to May tuition) is due at enrollment or by July 15, 2026. Your child's place in our school may be forfeited if tuition pre-payment is not made by the deadline. If you sign up to have your monthly tuition automatically drafted from your bank account, it will be drafted on July 5, 2025. If registering after July 15, 2025, this amount is due at enrollment or by arrangement with the director.
